

Exhibiting Company Guest Sign-Up Form

Every effort will be made to ensure that only properly identified and authorized registrants enter the exhibit area. Four guest badges will be made available to each exhibiting company for exhibitor guests, defined as individuals you wish to invite to view your display who would not otherwise be registering for the meeting.

Guest badges are to be picked up and signed for at Exhibitor Registration. They are to be returned to Exhibitor Registration after use. If your guest's name is not on this form, you will be called to Exhibitor Registration to verify his/her identity before a guest badge is issued. The Guest-of-Exhibitor badge will permit entry only to the exhibit area from Tuesday, November 6, through Thursday, November 8 during exhibit hall hours. Guest badges will not permit attendance at scientific sessions. Guest badges are reusable for the company. It is the exhibitor's responsibility to make sure the badges are turned in to the exhibitor registration staff when finished. It is the responsibility of the exhibiting company to inform all guests of the rules and regulations contained in this prospectus, particularly the rules regarding General Conduct of Exhibits.
