

Speaker Release Form for Electronic Media

61st AALAS National Meeting • October 10–14, 2010 • Atlanta, GA

Your scheduled presentation(s) at the 61st AALAS National Meeting, Atlanta, GA, has been selected for special emphasis among the registrants. Because of its timeliness and major importance, we would like to record your presentation (audio and powerpoint) for distribution to the attendees and the membership. Your colleagues will be able to benefit from your remarks by listening to the media (cassette, CD, DVD, or webinar) whether or not they were in attendance.

The media will be copyrighted and marketing will be done exclusively through this Association under Title 17 of the U.S. Code or other law as may be enacted, and all claims for royalties in conjunction with sales are waived. No distribution outside of this Association will be permitted without your specific, prior permission.

This agreement does not preclude the publication by you of your paper at any time.

Please cooperate with our audio staff to obtain the best possible recordings by using the microphone at all times and by repeating all questions asked by persons not near a microphone.

Please sign and return by fax (901) 753–0046, as soon as possible. If we do not hear to the contrary from you by September 1 we will presume your acceptance.

Thank you.

I hereby give permission to American Association for Laboratory Animal Science to record and distribute electronic media and support material containing my presentation as outlined above.
